6. In evaluating the quotations, the Employer will adjust for any arithmetical errors as follows:
 - (a) where there is a discrepancy between amounts in figures and in words, the amount in words will govern;
 - (b) where is a discrepancy between the total price in the Bill of Quantities or the quoted amount indicated in the Form of Quotation, the total price in the Bill of Quantities shall govern;
 - (c) where is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and

(d) if you refuse to accept the correction, your quotation will be rejected.

7. Your quotation shall be valid for a period of thirty (30) days from **August 24, 2020**.
8. Your quotation in duplicate and written in English language shall be for the whole works and based on the ***unit and total price indicated in the filled-in Bill of Quantities***". Currency of quoted prices and payment shall in Pak Rupees. The quotation shall include all duties, and taxes and other levies payable by the contractor in accordance with local laws. In case of any discrepancy between the original and copy, the original shall prevail.
9. The Employer will award the contract to the Contractor whose quotation has been determined to be substantially responsive to this Request for Quotation and who has offered the lowest evaluated price quotation. A quotation is not substantially responsive if it contains material deviations or reservations to the terms, conditions, and specifications in this Request for Quotation, and it will not be considered further. The Employer will evaluate and compare only the quotations determined to be substantially responsive.
10. If you withdraw your quotation during the validity period and/or refuse to accept the award of a contract when and if awarded, then you will be excluded from the list of contractors for the project for two years.
11. The contract will be governed by the terms and conditions of the attached Form of Contract.
12. Your quotation including Form of Quotation and filled-in "Bill of Quantities" should be submitted by **03:00 PM (PST), August 24, 2020**.
