2. We have inquired from the learned Advocate General Sindh, present in Court, the view point of the Sindh Government on the issue of installation of Billboards and Hoardings on public properties. He has made a statement on behalf of the Sindh Government that no Billboards or Hoardings of any nature can be allowed to be installed on public properties. The learned Additional Attorney General was also of the view that Billboards and Hoardings cannot be installed on the public properties.

3. The term ‘public property’ has wide meaning and, therefore, we would like to clarify it in the order to avoid any ambiguity. The term ‘public property’ shall include the following places:

- “(i) Roads.
- (ii) Sidewalks.
- (iii) Islands in the centre of a road/service lane – including but not limited to ‘Sponsored Islands’ whereby the entire Island is maintained by a private person who displays his name and products on the traffic signs.
- (iv) Overhead Bridges and Underpasses.
- (v) Overhead pedestrian walkways/bridges.

- (vi) Roundabouts – including but not limited to ‘Sponsored Roundabouts’ whereby the entire Roundabout is maintained by a private person/or any organization who displays his or their name and products on the traffic signs.
- (vii) Green Belts/Dividers between a road.
- (viii) Pedestrian lanes.
- (ix) Nullahs (Storm Water Drains) and the banks of Nullahs (Storm Water Drains) which abut roads.

Notes:

- (i) Traffic signs i.e. signs set up by the Traffic Department providing directions are permissible on these locations but should not be ‘**Sponsored Traffic Signs**’ i.e. Traffic Signs that are sponsored by private persons and display their name and products on the traffic signs.
- (ii) Signboards located within a plot not listed above but which **in any manner** “overhang” any of the areas listed above”.

4. We have heard Mr. Abdul Rehman Advocate as *amicus*, the learned Additional Attorney General for Pakistan, Advocate General Sindh and Administrators of District Town Committees. There is no law which permits K.M.C., D.M.C., Cantonment Boards or any other agency in Karachi to install Billboards or Hoardings on a public property. Such an act on the part of permission granting agency is against the civil rights of the citizens. The civil rights of the citizens cannot be hampered with by erecting the Billboards or Hoardings on the civic amenity meant for the use and benefit of public at large besides such an act would endanger the life and property of the common man.

5. As a first step, we are of the considered view that no Billboard or Hoarding can be permitted to be installed on any public property as defined in the preceding paragraph by any authority under the garb of by-laws which militate the civil rights of the public at large. Therefore, all the

concerned authorities are directed to immediately remove all the Billboards/Hoardings installed without permission within their jurisdiction within 15 days from today and report compliance.

6. The Billboards/Hoardings which have been installed in the public properties under any license or lease shall be uprooted by 30th June, 2016 by the concerned advertising agencies which own that poles or displaying materials or by the contractors if they own such material or by the authorities with whose permission the Billboards or Hoardings have been installed. In the intervening period, no permission shall be granted by any of the authority in Karachi to install the Billboard/Hoarding on any portion of public place/property as clarified hereinabove.

7. The learned Additional Attorney General is further directed to hold meetings, within a month, with all the stakeholders who grant permission for installation of such Billboards/Hoardings in Karachi to finalize the amendments in the proposed by-laws applicable beyond the public properties so that city-wide uniformity could be achieved on the one hand and safety measures of the citizens of Karachi shall be ensured on the other hand. The proposed meetings shall be attended by the Advocate General Sindh, as well. The learned Additional Attorney General shall submit report within one month.

8. Copy of this Order be faxed and sent to the Registrar, Sindh High Court for placing it before the learned Chief Justice and all the learned Judges for their information. Office shall also send copies to the learned *Amicus Curiae*, the learned Additional Attorney General and the learned Advocate General Sindh.

9. Office is directed to re-list this matter after 30th June, 2016. All the authorities concerned shall submit their compliance reports in the light of above referred directions.

Date of Hearing: 17.10.2018

JUDGMENT

FAISAL ARAB, J.- In view of the suo moto action taken in the city of Lahore with the object of removing unwanted billboards and hoardings, we through this order hold that a similar action taken for the city of Karachi should be replicated throughout Pakistan so that uniformity is achieved. The proposed action on the subject, has been set out in the judgment dated 05.5.2016 in CMA No.209-K of 2014 in C.P. No.152-K of 2011 and CMAs No.657 to 660-K of 2015 and CMA No.869-K of 2015 in CMA No.209-K of 2014 which requires that billboards or hoardings of any nature (including all electronic billboards/hoardings) cannot be allowed to be installed on any public property. The term 'public property' has been clarified

in our judgment dated 05.05.2016 passed in the Karachi case which states:

"The term 'public property' has wide meaning and, therefore, we would like to clarify it in the order to avoid any ambiguity. The term 'public property' shall include the following places:

"(i) Roads.

(ii) Sidewalks.

(iii) Islands in the centre of a road/service lane – including but not limited to 'Sponsored Islands' whereby the entire Island is maintained by a private person who displays his name and products on the traffic signs.

(iv) Over-head Bridges and Under-passes.

(v) Overhead pedestrian walkways/bridges.

(vi) Roundabouts – including but not limited to "Sponsored Roundabouts" whereby the entire Roundabout is maintained by a private person/or any organization who displays his or their name and products on the traffic signs.

(vii) Green Belts/Dividers between a road.

(viii) Pedestrian lanes.

(ix) Nullahs (Storm Water Drains) and the banks of Nullahs (Storm Water Drains) which abut roads.

Notes:

(i) Traffic signs i.e. signs set up by the Traffic Department providing directions are permissible on these locations but should not be 'Sponsored Traffic Signs' i.e. Traffic Signs that

are sponsored by private persons and display their name and products on the traffic signs.

(ii) Signboards located within a plot not listed above but which in any manner 'overhand' any of the areas listed above."

4. The main object of institutions that perform municipal functions is for the benefit of the public at large. Allowing erections of hoardings/billboards would endanger the life and property of the public, therefore installation of any billboard or hoardings by Cantonment Boards or any other agency on a public property as defined above shall be deemed to be illegal. The learned Counsel for Lahore Cantonment Board argued that income generated from these billboards have contributed towards other welfare projects in the area hence if the said demolition takes place it would deprive the Board from carrying out their welfare projects. It may well be the case; however the Boards should not be utterly dependent on revenue generated from these advertisements as they can surely fund their welfare activities through other means. Insofar as advertisers are concerned, there are many other ways by which businesses can market themselves i.e. through print and electronic media which is one of the most popular means to advertise in today's day and age however if billboards/hoardings are to be used for the purpose of advertisement then the businesses should advertise on private buildings.

5. Therefore we are of the considered view that billboards and hoardings cannot be permitted to be installed on any public property. All concerned authorities across Pakistan are directed to immediately remove all the billboards/hoardings installed within

their jurisdiction within a period of one and a half months from today and file a compliance report. The billboards/hoardings which have been installed in public properties under any license or lease shall be uprooted within the same 45 day period by the concerned advertising agencies which own those billboards/hoardings either directly or through their contractors by the authorities with whose permission the billboards or hoardings have been installed. In the intervening period, no permission shall be granted by any authority in Pakistan to install the billboard/hoarding on any portion of public property. Any institutions or agencies that are found to be non-compliant with this order will be prosecuted.

7. The learned Additional Attorney General is further directed to hold meetings, within a month, with all the stakeholders who grant permission for installation of such billboards/hoardings anywhere in Pakistan to finalize the amendments in the proposed by-laws applicable beyond the public properties so that nation-wide uniformity could be achieved to ensure safety measures of the citizens of Pakistan.

9. All the authorities concerned shall submit their compliance reports in the light of above referred directions. Re-list.
